

June 25th is Fun Day

The fun starts at 2pm with bouncy castles, entertainer, bucking bronco, face painting, mini-golf and icecream van.

This year bigger than ever!

There'll be a Pimm's tent, of course.

Hungry? Roast lamb and hog on a spit will be served from 5.30 and then....

From 6pm, in the marquee, dance to

Roberto Pla's Latin Ensemble

*Everything's free except for food & drinks, face-painting, mini-golf *No glasses in the garden please

*Natalie needs helpers to set up and clear up the party:

nataliebarb@yahoo.co.uk *Got ideas for next year?

Just let us know: www.formosaamenity.co.uk/contact

The Formosa Amenity

Newsletter May 2011

AGM

The Annual General Meeting of Formosa Amenity Ltd will be held at **St Joseph's School, Lanark Road, Maida Vale, London W9 on Wednesday 25th May at 7.30pm.**

Westbourne Estates has sent voting proxy forms to all freeholders or managing agents, who should have advised their leaseholders of the AGM. Named proxies for Amenity shareholders must be registered with Westbourne at least 48 hours before the meeting, to be eligible to vote.

There'll be an opportunity to swap remaining gate keys for the new fobs. See www.formosaamenity.co.uk for details of what you will need to make an exchange or get a fob for the first time, or call 020 7229 8444.

It's summer, so...

- You might be thinking of altering your home. We have essential planning guidelines on www.formosaamenity.co.uk/
- Registered dogs may be exercised off the lead before 9am.
- If you set up a paddling pool for your children, do make sure there is a responsible person in charge *all* the time it has water in it.
- Broken glass is dangerous, so no glassware on the lawn please.
- Toys, bikes paddling pools can't be left in the gardens overnight.
- Do teach children to keep on the grass and to stay out of the beds, especially where there are new or vulnerable plants.
- The Med Bed is a work in progress. Because of the sensational weather, sourcing and planting some of the things that should have been in by now has been disrupted. Sorry it's not looking its best yet.

Rocket incident

On Monday May 9th at around 11pm, a number of rockets were set off in the garden. They were extremely loud and of course dangerous: one narrowly missed hitting a resident who was walking her dog. The clear rule is that *no private fireworks may be let off in the garden at any time.*

We would greatly appreciate information about the event and the individuals involved. www.formosaamenity.co.uk/contact .
